Re: Letter of Reference for Ms. Dorothy Bacchilega

For the past 9 years we have been fortunate in working with and counting on Ms Dorothy Bacchilega for her contribution in developing and maintaining our Company image.

Ms Bacchilega has the talents required to develop an artistic and appealing image of our Company, from web design to letterheads, business cards, and brochures. She is a true professional from image conception through to creative out-put.

Ms Bacchilega can be counted on to produce a finished piece in a remarkable amount of time and with an understanding beyond the norm. We would highly recommend her whether you are starting up a new business or trying to re-fresh an existing one. She will take your ideas and mold them into a refreshing and professional display of you or your company's image.

Please feel free to contact us with any questions pertaining to this reference.
